

LIONPOINT

An Alpha Group Company

The SEC's Private Funds rule was vacated by the United States Court of Appeals for the Fifth Circuit. Despite this, private equity managers must still meet investor demands for transparency.

Are you prepared?

Use our checklist of interdependencies to ensure data systems and processes are well aligned.

How can Lionpoint help?

We offer tailored solutions to enhance transparency and reporting mechanisms across each of these functional areas.

Contact your Lionpoint consultant today for improved transparency through enhanced reporting practices. For information on our assessment process, please email info@lionpointgroup.com.
